LETTER OF INTERNSHIP

25/06/2020

7, SOUTH KAVAL KOODA STREET,
MADURAI - 625001

Dear KETHANA JAIN,

We would like to congratulate you on being selected for the Finance Internship position with **Simpery** – Economic development, effective 01/07/2020. All of us at **Simpery – DASPV TECHNOLOGIES PVT LTD.,** are excited that you will be joining our team!

As we discussed during the interview process, this is a non-paid academic internship during which you will be expected to provide 48 hours per week through 31/07/2020
Each week, you will be given up with a dedicative training cum practice session before getting into a task.

This internship is viewed by **Simpery** as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class

Since considering this Pandemic situation in mind, we offer you to get yourself engaged with the task in remote access from your convenient place (Home). Mainstream tasks would be given – Financial management, Investment analysis scopes and pnl propagation.

Your work tasks will be channelized through a single window remote access application recommended by the Internee.

Again, congratulations and we look forward to working with you this coming year.

Sincerely,

D. Balavignesh
