Report on Workshop about .Net

Title:

One day Workshop on "Programming using .NET"

Date:

20.11.2019

Preamble:

A One day Workshop on "**Programming using .NET**" has been conducted on 20th November 2019, at The American College by the Department of Computer Science in order to provide an intense training on .NET Platform.

Participant's Profile:

A total of 100 students from our Computer Science department participated and are benefited.

Description about the Program:

The Workshop started with a word of Prayer by our student R.Daniell John (17COS15) and the Welcome address was given by T. Bharath (17COS11), student representative followed by an Introductory note by the Head of the Department of Computer Science, Mr.J.John Jeyakamaraj, who hosted this Workshop on Programming using .NET and introduced the Speaker Mrs.M.Girija, Assistant Professor, Department of Computer Science in the American College. The speaker delivered keynote address. The participants were provided hands - on training on .NET.

R.Venkata Narayanan (17COS70), student representative proposed the vote of thanks.

The entire program was co-ordinated with the support of our Principal, Dr.M.DavamaniChristober who always encourages the technical growth of our student friends and faculty members of the department of Computer Science.

Feedback:

The students expressed their gratitude to the Head of the department and to all the staff members of the department of Computer Science for organizing such a wonderful workshop session.

Future Perspectives:

The department of Computer Science has also planned to conduct several seminars and workshops on current technology topics and soft skills in the future for the betterment of student's growth technically.
