

The meeting of the Evaluation and Monitoring was held on Tuesday 6th October 2020, at the William Tracy Seminar Hall.

The meeting began with Prayer by Dr.S.Stalin Kumar of Maths Department.

Dr.M.Davamani Christofer, Principal & Secretary welcomed the gathering and congratulated the Controller, Deputy Controller and the team for the smooth conduct of the end of semester examination of April 2020 held during September 2020.

Agenda

- i) Implementation of G.O.No:111 and 125

It was discussed to award mark to the arrear students who has applied under the following categories.

- a) Students with minimum attendance/minimum mark.
- b) Students without minimum attendance.
- c) Students without minimum mark.

The Principal read the G.O .No: 111 in connection with award of marks to arrear students. The Controller briefed about the G.O .No: 125. The G.O.No:111 copies were given to all members and the Controller briefed G.O.No:111 with reference to G.O. No : 125 with respect to the award of marks. So, the students were asked to pay for June 2020 exam fees. Hence decided to award marks according to G.O.No:111 and 125 respectively. Moreover our Principal read the minutes of Tamil Nadu Vice Chancellors meeting of Higher Education.

It was decided to award marks accordance to G.O: 111 and 125 together with our college rules recommended by Evaluation and Monitoring Committee. Our college has adopted software for uploading marks of the students from early 1987 to 2015 and from 2016 till date new software is in use for uploading and facilitating mark managing system.

Resolution:

After deliberation considering the existing Covid-19 situation, the EMC suggested the following resolutions.

- 1) Resolved to award passing minimum to UG/PG students (excluding 17UG, 18PG) to those who applied for April 2020 examination.
- 2) Resolve to award all the students prior to 17 series students [18UG, 19UG, 19PG, 18MCA, 19MCA] who have applied for E.O.S earlier to 17 series UG,18 series PG will be given. Passing minimum as per the instruction given by G.O.111 (dated 27.07 2020). (students must have secured passing minimum based on 70/30).
- 3) Resolved to conduct June repeat (supplementary) within one week from the publication of April 2020 results.

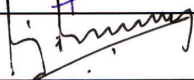

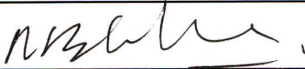

Any other matter

- 1) Dr. J. John Sekar, Dean of policy administration briefed about the necessary of improving and increasing pass percentage. He also suggested to conduct internal for 25 marks.
- 2) During the pandemic period ,the conduct of internal for 100 marks was not possible and it was proposed to conduct as 25 for CIA and 75 for EOS.

The Principal Thanked everyone and concluded that the above mentioned points will be included in the upcoming Senatus.

EVALUATION AND MONITORING COMMITTEE

13.12.2019

After the review of the results of End of Semester Examination November 2019, it was inferred that the single External evaluation introduced in this semester has no provision for reviewing the consolidation of both MCQ and External marks.

As a result , a large number of candidates failed for of want of marks ranging 1 to 5 marks.

RESOLUTION

Resolved to recommend that an additional marks ranging from 1 to 5 be awarded to those candidates who have scored 35 in UG Courses in the single External evaluation introduced in the academic year 2019 -2020, and 45 in PG Courses in the double evaluation (Internal & External) in the existing Method.

EVALUATION MONITORING COMMITTEE

The meeting of EMC began with the prayer by Dr. Israel. The Principal and Secretary welcomed the members of the EMC. Prof. J. Jesupaul Thangaraj, Controller of Examination presented the examination related issues before the committee.

Agenda:1. A slight modification in the “C Form” that the format should be as T1, T2, Assign, Quiz and the last column will be the total of the continuous assessment (the total of internal marks). Seeking approval for change in the C form. The end-of –semester will be displayed in our college website.

It was approved and recommended to be placed before Senatus meeting for ratification.

Agenda:2. Usually “A form” now consists of Internal, External and Average. Now a small modification in the “A form” that Continuous Assessment (internal marks total) will also be displayed while valuing the end-of-semester papers Seeking approval for modification.

It was approved and recommended. Dr. Muthuraja, Dean of Curriculum Development & Research suggested that a separate sub-committee to be constituted to frame a new rule and regulation governing examination for the new pattern. It was proposed that the Controller of Examination will head the sub-committee to look after the changes governing the examination.

Agenda:3. If a course paper is over in the end-of-semester examination, the internal has to value the scripts within three days and hand it over to COE’s office and simultaneous external valuation will be carried out , so that the results will be published at the earliest with no loss of time. To Seek approval to value the scripts within time bound limit.

It was approved and recommended. Requesting the COE to send circular to all the departments with regard to the valuation time bound limit.

Agenda:4. For revaluation of script, the external examiner alone will value the paper from among the panel of external examiners. This will reduce time of asking one more panel members from the HoD. Seeking approval to revalue the script those who applied for revaluation, only by the external examiner.

It was suggested that all the matters pertaining to the examination should to be in the new rule book governing examination.

Agenda:5. For Environmental science, (one students from aided stream and another from Self –financed courses, have applied for repeat the course and a SF teacher was placed in charge to handle the internal classes for both streams who were repeating. The concern course teacher has

completed all the formalities in respect of the continuous assessment. With regard to the external question setting and valuation, the respective department course teacher has taken responsibility in doing so. It was carried in the mark statement. Seeking approval to approve the valuation done by internal.

It was approved and recommended to be placed before Senatus for ratification.

Agenda:6. A few numbers of visually challenged students have failed in certain subjects in the external exams. I request the members to suggest me with regard to passing marks, so that they can clear their backlog at ease. Further in consultation of Dean of Policy, the matter will be placed in the academic council for approval.

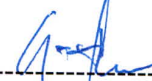

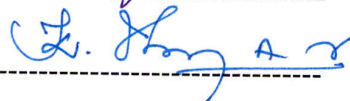

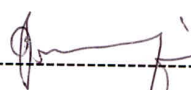

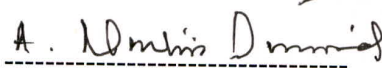

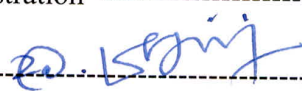

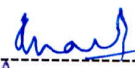

It was suggested that the Dean of Policy should submit a report with regard to passing minimum in consultation on par with the Madurai Kamaraj University and the proposal should be placed in the Senatus meeting for ratification.

Agenda:7. If an external examiner fails to turn up for the valuation within a specific date, then an external examiner from the panel of examiners will be called up for valuation.

It was approved and recommend that if an external examiner fails to turns up, then from the panel of examiners will be called up for valuation.
