International Yoga day

The largest ever demonstration of yoga, more than 10 lakh cadets of National Cadet Corps (NCC) will simultaneously perform various 'asanas' (postures) at 1,500 locations across the country on the occasion of International Yoga Day on June 21. NCC is preparing to organise the largest ever demonstration of yoga by a uniformed organisation on a single day concurrently at multiple venues all across India.

Prime Minister Narendra Modi, while addressing cadets during a NCC rally at Delhi in January this year, had exhorted the cadets to participate in yoga on the Day and create a world record.

We celebrated International Yoga Day on 21st June 2020 by doing different Yogasanas and Pranayamas. 45 American College NCC Army cadets participated in this program. Many Yogasanas and Pranayamas done by our NCC cadets. Before this Yoga Day all cadets participated in 2 days practice camp of Yoga.

COVID -19 DUTY

NCC ACTIVITIES DURING COVID-19 (DATE 28.4.2020-18.5.2020)

National Cadet Corps (NCC) has been incremental in working shoulder to shoulder with civil, defense and police personnel in the country's fight against Corona Virus (COVID-19) pandemic since April 2020 to boost relief efforts and functioning of various agencies involved in battling the pandemic. The cadets have been instrumental in handholding and managing various tasks such as manning of helpline/call centers, distribution of relief materials/medicines/food/essential commodities, community assistance, data management and queue & traffic management. To amplify the State's efforts to curb the spread of pandemic, the cadets are also actively sensitizing the public with necessary and appropriate information through messages on social media platforms and active field work.

NCC has yet again risen to the Nations call of providing their service when it matters the most through its 17 directorates covering all 28 States and 8 Union Territories. Their utmost service in logistics, supply chain management and spreading the awareness in India's fight with COVID 19 has been showcased in form of poems, articles and videos that have been shared by the cadets.

American College Principal & Secretary Dr.M.Davamani Christobher, Cooperative society Minister cellur Raju, Solai M.Raja (Tamilnadu Olympic Association vise chairman), Madurai MP S.Venkteshen were Motivated Ncc Cadets and Donated Hand sanitizer, Fruits, Soft drinks, water bottle, Mask.

members. We boarded the bus from our college to the destination and arrived at about 11.00 a.m in the morning.

Our arrival was greeted by all of the little cute children and some of the volunteers. They looked so happy when they saw us. They cheered happily and welcomed us with opened arms. They looked so ecstatic and were in a high glee.

All of us were surprised with their respond.

The event was started off with a short opening speech by Mrs. Joyce the head of Orphanage. She said that this orphanage was established in the year 1998. It was pioneered by MS. Margarett Audducat, unmarried Christian missionary and nurse from England and now she's 80 yrs old. The hospice had total number of 15 children and 8 adults who are affected and infected by HIV/AIDS.

Activities of the hospice:

Hospice performs the following activities for the well being of the children:

1. Providing educational facilities.
2. Giving nutritious food.
3. Extending recreational facilities
4. Providing medical care to the inmates.

After that, the students played games with the little children, played some music for them and lively dance by the students. Both the students and children enjoyed themselves very well. Lastly, we also gave presents that we had brought to all the children included the volunteers there. All the kids were so eager to be with the students as if they met their own relatives after a long time. The children acted so passionately and innocently. So touching! Suddenly, I felt very tearful. How I wished that their horrible sickness would disappear when they got up in the morning.

Soon, it was time to leave. Everyone had a great time and this event was a success. Before we started from there, we gave each of the little cute children a ***bear hug***. The eyes, the smiles of the children have lingered in me for a long time since. That was an unforgettable trip. The feelings and the emotions have still stayed the same in me after this journey. We thank all the students for the support.

Campus bird count 2019

Students spot over 60 bird species

EXPRESS NEWS SERVICE
@ Madurai

MEMBERS of the Eco Clubs of Mannar Thirumalai Naickar College and American College spotted more than 60 species of birds during a bird watching session on Friday.

American College Eco Club co-ordinator Rajesh said, "We spotted more than 60 species of birds including Plain-backed wood pecker, Seven sister bird, Sun bird, Purple-rumped sunbird, Olive-backed sun bird, Asian brown flycatcher, Myna, Paradise flycatcher, and the parakeet. Students should know about their surroundings and the nature."

Explaining further, Rajesh said, "To educate and conserve the eco system, we periodically arrange bird watching sessions for students. Students can get to know about the nature of every bird, their living places, types of nests, and what kinds of food they eat."

"We have organised a bird watching programme on February 19 for the general public, between 4 pm and 6 pm. Those interested in participating in the event may call 9443394233 to register their names. On that day, experts will be present to share minute details about birds."

Organ Donation Awareness

DRIVE INDIA - The American college rotaract Club along with Rotary Club of Madurai west today on 25 Oct 2017

The speaker *Rtn. Anil Srivatsav* who drove from banglore to scotland is on his next mission - driving throughout the country in 100 days to promote Organ Donation.

We were lucky to have him on his 4th day on the drive. He gave a beautiful speech on organ donation and about the app he developed for registering as an organ donor. We did our part by creating awareness to 200+ rotaractors in American College. It was a very interactive session. They came with the van and showed it to the students

In August 2017, SCILET collaborated with Kodaikanal International School in the 25th Annual Creative Writing Workshop. The leader of this workshop was **Manu Joseph**, noted novelist from New Delhi. He had a lively interactive session in SCILET's **Meet the Author Programme** held on 9 August 2017 in the College's Main Hall. About 400 students and faculty members from the local colleges attended the program. For the workshop, twelve students were chosen from four different departments of the American College. An important result of this workshop is that students continued to meet once a month throughout the year for creative writing sessions.

அமெரிக்கன் கல்லூரியில் வெள்ளை கீரிப்பிள்ளை

மதுரை, பிப். 24 -

மதுரை அமெரிக்கன் கல்லூரியில் நடந்த பறவைகள் கணக்கெடுப்பில் வெள்ளை நிற கீரிப்பிள்ளை இருப்பது கண்டறியப்பட்டது.

மாணவர்களுக்கு இயற்கை குறித்த விழிப்புணர்வு ஏற்படுத்தும் வகையில், கல்லூரியின் பசுமை சங்கம் சார்பில் பறவை பார்த்தல் நிகழ்வு நடந்தது.

இதில் அரசவால், ஈபி டிப்பான், காகம், கிளி, கருப்பு பருந்து, புறா, குயில், கரிச்சான் குருவி, செம்போத்து, புள்ளி ஆகை, வல்லூறு, பனங்காடை, கூகை உட்பட 26 இனங்கள் கண்டறியப்பட்டதாக சங்கத் தலைவர் காருண்யாள், செயலாளர் ராஜேஷ் தெரிவித்தனர்.

அமெரிக்கன் கல்லூரியில் வெள்ளை நிற கீரி.

அவர்கள் கூறியதாவது: கடந்த ஆண்டை விட தற்போது 8 பறவையினங்கள் அதிகரித்து உள்ளன. மொத்தம் 200 பறவைகள் வசிக்கின்றன. கீரிகள் வழக்கமாக பழுப்பு நிறத்தில் காணப்படும்.

கல்லூரி வளாக குடியிருப்பு பகுதியில் வெள்ளைநிற கீரிப் பிள்ளை ஒடியதை பார்த்தோம்.

மனிதர்களிடம் நிறமாற்றம் ஏற்படுவதை போல கீரியில் மரபணு மாற்றத்தால் (அல்பினோ) நிறமாற்றம் வந்திருக்கலாம். இவற்றின் எண்ணிக்கையும் குறைவாக தான் இருக்கும்.

ராஜஸ்தானில் 1993ல் இதை பார்த்ததாக 'பாம்பே இயற்கை வரலாற்று சொசைட்டி' ஆய்வு தெரிவிக்கிறது. அதன்பின் 'அல்பினோ' கீரியைப் பற்றிய தகவல் எங்கும் இல்லை.

கல்லூரியில் இதற்கு முன்பே பலமுறை பார்த்திருந்தாலும், அவற்றை போட்டோவாக பதிவு செய்ய முடியவில்லை. இவை மிகவேகமாக ஓடும். சிறிய எலி, கோழிக்குஞ்சு, பாம்பு, பறவைகளை உணவாக கொள்கிறது, என்றனர்.

Bird watching programme for public was conducted on 20.02.2018 by Green Club, The American College, about 25 members participated.

members. We boarded the bus from our college to the destination and arrived at about 11.00 a.m in the morning.

Our arrival was greeted by all of the little cute children and some of the volunteers. They looked so happy when they saw us. They cheered happily and welcomed us with opened arms. They looked so ecstatic and were in a high glee.

All of us were surprised with their respond.

The event was started off with a short opening speech by Mrs. Joyce the head of Orphanage. She said that this orphanage was established in the year 1998. It was pioneered by MS. Margarett Audducat, unmarried Christian missionary and nurse from England and now she's 80 yrs old. The hospice had total number of 15 children and 8 adults who are affected and infected by HIV/AIDS.

Activities of the hospice:

Hospice performs the following activities for the well being of the children:

1. Providing educational facilities.
2. Giving nutritious food.
3. Extending recreational facilities
4. Providing medical care to the inmates.

After that, the students played games with the little children, played some music for them and lively dance by the students. Both the students and children enjoyed themselves very well. Lastly, we also gave presents that we had brought to all the children included the volunteers there. All the kids were so eager to be with the students as if they met their own relatives after a long time. The children acted so passionately and innocently. So touching! Suddenly, I felt very tearful. How I wished that their horrible sickness would disappear when they got up in the morning.

Soon, it was time to leave. Everyone had a great time and this event was a success. Before we started from there, we gave each of the little cute children a ***bear hug***. The eyes, the smiles of the children have lingered in me for a long time since. That was an unforgettable trip. The feelings and the emotions have still stayed the same in me after this journey. We thank all the students for the support.

DRAMA ON CAMPUS: THE UNTOLD STORY OF AN ADVENTUROUS WOMAN

Abinaya, R (15PGE01)

DO RE MI FA SO LA TI DO. A musical adaptation of the all time classic *The Taming of the Shrew* by William Shakespeare was enacted in the triangular stage at Binghamton Hall on March 30 and 31, 2016. The play was staged with the motive of expressing the altruistic nature of the protagonist, which is quite contradictory to the original version. Altruism is an expression of unconditional love. Altruism binds a family and makes life beautiful. Thus a woman cannot be tamed by authority and chauvinism but tenderness and deference will make "a wife of noble character."
