Brief report on the Guest Lecture conducted by the Department of Business Administration on 25 September 2019

Soft skills are very critical to the success of every manager. In order to provide very useful information on soft skills, a program on soft skills was arranged for the students. Mr. Lance from ITM skills academy, Madurai conducted a session highlighting the importance of soft skills on enhancing the employability among students. The inaugural address for the program was given by Mr.Christopher, Assistant professor, Department of BBA. Mr. Lance shared his expertise by providing valuable information on the importance of soft skills in today's world. He interacted with the students in a very friendly manner and made the session very interesting and useful. The students were happy with the session and they learned the importance of soft skill in real life. The vote of thanks was proposed by Mr.Manoj, III year BBA student.

Brief report on the Guest Lecture conducted by the Department of Business Administration on 09 January 2017

Managing money is a key success factor in business and also an individual's life. Money Management is the need of the hour after demonetization happened in November 2016. The seminar touched upon several areas like safe investment, how much risk a decision maker should take in situations where uncertainty is present both in personal and business perspective and to reduce the amount that individuals spend on items which add no significant value to their living standards. In order to provide knowledge about the ways in which money need to be managed in the right manner a program on money management was organized for the third year students. The gathering was addressed by Mr. L. Joseph, Assistant General Manager, Indian Overseas Bank, Chennai.

The inaugural address was given by Mrs. Priyadarshini, Assistant professor, Department of BBA. The speaker shared lot of valuable information on the way money needs to be managed in business and also personal life. The students listened to the lecture in a very keen manner. The vote of thanks was proposed by Mr. Vishnu, III year BBA student.

Brief report on the Guest Lecture conducted by the Department of Business Administration on 1 August 2019

Digital marketing is an emerging field and it has become a very powerful medium. The students were arranged for a session in understanding and getting more information on digital marketing. Ms. Kavitha from Synergy, Madurai gave a lecture on the topic "Emergence of Digital Marketing". The inaugural address for the program was given by Ms. Priyadarshini, Assistant professor, Department of BBA. The speaker made a very interesting presentation on the digital marketing subject. She shared her knowledge in a wonderful manner by citing many examples and how digital marketing has taken the world by storm. The students were enthusiastic and they also learned a lot about the more popular and growing aspect of digital marketing. The vote of thanks was proposed by Mr.Veera Sabarinathan, III year BBA student.

Report on Workshop about .Net

Title:

One day Workshop on "Programming using .NET"

Date:

20.11.2019

Preamble:

A One day Workshop on "**Programming using .NET**" has been conducted on 20th November 2019, at The American College by the Department of Computer Science in order to provide an intense training on .NET Platform.

Participant's Profile:

A total of 100 students from our Computer Science department participated and are benefited.

Description about the Program:

The Workshop started with a word of Prayer by our student R.Daniell John (17COS15) and the Welcome address was given by T. Bharath (17COS11), student representative followed by an Introductory note by the Head of the Department of Computer Science, Mr.J.John Jeyakamaraj, who hosted this Workshop on Programming using .NET and introduced the Speaker Mrs.M.Girija, Assistant Professor, Department of Computer Science in the American College. The speaker delivered keynote address. The participants were provided hands - on training on .NET.

R.Venkata Narayanan (17COS70), student representative proposed the vote of thanks.

The entire program was co-ordinated with the support of our Principal, Dr.M.DavamaniChristober who always encourages the technical growth of our student friends and faculty members of the department of Computer Science.

Feedback:

The students expressed their gratitude to the Head of the department and to all the staff members of the department of Computer Science for organizing such a wonderful workshop session.

Future Perspectives:

The department of Computer Science has also planned to conduct several seminars and workshops on current technology topics and soft skills in the future for the betterment of student's growth technically.

Awareness of trends in Technology

Title: Cloud Computing and its Applications

Date: 21/06/17

Resource Person : Dr.Paul Ezhilchelvan, Reader, Department of Computer Science, New Castle University, UK.

Participant's Profile:

A total of 90 students from MCA and Computer Science department participated and benefited.

Description about the Program:

The Resource person spoke about the main applications of Cloud Computing and how cloud is useful in IOT. He also said using IOT we can implement real time applications such as Traffic Monitoring, Humidity Monitoring and Pollution Monitoring..

Feedback:
The students expressed their gratitude towards the Director and the staff members of the department for organizing a very useful seminar.

Sub: Requesting to permit us to organise workshop in your Department

Respected Sir,

As a part of empowering biological science students, our research foundation is organizing a series of proteomics workshops thuough our research institute "Winro Research Institute of Biological Science" at Tiruchirappalli. We have received several applications from the students of your Department for the three day hands-on workshop entitled "**Protein Separation: Gel based**", scheduled on 9th May. 2018 to 11th May. 2018. In this regard, I would request you to permit us to conduct the above said workshop in your renowned Department at 'The American College', Madurai. Also, request you to provide necessary facilities to conduct the workshop.

I will be thankful to the Department and College management, if permitted to conduct the workshop on campus for the benefit of students. The course content is attached with this letter for your reference.

Thanking you,

Dr. R. Muthu Selvam
