REPORT ON MBA PLACEMENT BROCHURE RELEASE AND CAREER COUNSELLING

Presided By: **Dr. M. DavamaniChristober , Principal and Secretary**

Guest of Honour: Ms. Ramya, HR Manager, Biocon

Inaugural address: Dr. Albert Christopher Dhas, Director - MBA

Venue: B1 Seminar Hall, The American College, Madurai

The programme was started with a prayer by students. Welcome address was delivered by Ms. HaseenaShali of II MBA. Dr. Albert Christopher Dhas, Director – MBA welcomed the gathering. He stressed the need for placement brochure in this competitive era.

Dr. M. DavamaniChristober , Principal and Secretary gave the presidential address. He pointed that students must hone their communication skills, in order to face competition. He appreciated the 19 MBA students and faculty for their tremendous work in coming out the brochure in a successful way.

The placement brochure was released by Dr. M. DavamaniChristober , Principal and Secretary. The first copy was received by Ms. Ramya.

Ms. Ramya, who as an alumni of the MBA Department, interacted with the students about their expectations, skill sets . The students reciprocated. She talked about the Biocon , its mission and vision. She narrated the openings in Biocon. Later on , a group discussion was conducted to check the interpersonal skills of the students, as a part of the campus recruitment drive. Finally two students Mr. Gopinath and Ms . Rahima was shortlisted.

Brief report on the Guest Lecture conducted by the Department of Business Administration on 11 December 2019

The Public service commission jobs are very lucrative and also there is a lot of status involved in it. In order to make the students understand the basics of the UPSC exams and give them an insight, a session was organized on the topic "Awareness for the competitive exams". Kingmaker's IAS academy came up with the presentation on providing awareness and knowledge to students about the UPSC exams. The inaugural address for the program was given by Dr. Sathya. Dev, Assistant professor, Head of the BBA Department. The speaker provided lot of information on the various aspects of the competitive exams. A clear awareness was given to the students on how they can face the exams and also prepare for the same. The students listened to the presentation with lot of interest and they also felt they have been given good awareness about the competitive examinations. The vote of thanks was proposed by Ms.Monisha, III year BBA student.

Report on Seminar

Title:

One day Seminar on "Career Guidance and Job Opportunities"

Date:

12.07.2018

Preamble:

A One day seminar on "**Career Guidance and Job Opportunities**" has been conducted on 12th July 2018, at The American College by the Department of Computer Science in order to empower the students in technical knowledge that are emerging in the near future.

Participant's Profile:

A total of 114 students from our Computer Science department participated and are benefited.

Description about the Program:

The Seminar started with a word of Prayer by our student R.Ramavasantha (16COS50) and the Welcome address was given by MS.Sanjay(16COS46), student representative followed by an Introductory note by the Head of the Department of Computer Science, Mr. J.,JohnJeyakamaraj, who hosted this seminar on Career Guidance and Job Opportunities especially for the student friends to empower in technical knowledge and introduced the chief guest Dr.Arun Kumar, NIIT, Madurai. The Keynote address was delivered by Dr.ArunKumar,NIIT, Madurai,R.Viswam (16cos130), student representative proposed the vote of thanks.

The entire program was co-ordinated with the support of our Principal, Dr.M.DavamaniChristober who always encourages the technical growth of our student friends and faculty members of the department of Computer Science.

Feedback:

The students expressed their gratitude to the Head of the department and to all the staff members of the department of Computer Science for organizing such a wonderful seminar session.

Future Perspectives:

The department of Computer Science has also planned to conduct several seminars on Career Guidance and Job Opportunities in the future for the betterment of student's growth technically.

Department of Immunology and Microbiology, The American college, Madurai

SCIENCE FORUM

Date : 02/08/2018

Topic : CSIR-NET

Minutes and Action Points:

The forum gathered by 3.30PM

Arshiya Khan (Secretary) starts the session by welcome address

Soniya gives a brief information about the CSIR. CSIR-Council of Scientific and Industrial Research. There are about 38 to 39 field stations are there and it include 12,000 scientists. The field include: Aerospace engineering, ocean sciences, life sciences, metallurgy, chemical science, petroleum science, leather science, etc.

Gowthami just explain the Research labs under CSIR. CSIR includes AMPRI (Advanced Material and Process Research Institute, Bhopal), CECRI (Central Electro Chemical Research Institute, Karaikal), IMTECH (Institute of Microbial Technology, Chandigarh), NBRI (National Botanical Research Institute, Lucknow), CCMB (Centre for Cellular and Molecular Biology, Hyderabad)

Thamilasagan discuss about the history of CSIR. He said that in 1930's there occurs a need for the establishment of Research organization for the development of national resources and new industries in India. For this eminent citizen such as C.V.Ramun, Seymour Sewell, J.C. Chosh has proposed the adversary board of Scientific research in India.

Livya durga give a brief information about the exam pattern. She mentioned that there are 200 one word choice based questions and the exam timing is 3 hours. The candidate can either choose the Junior Research Fellowship (JRF) or Lectureship (LS). This test is conducted for the subjects like Chemical science, Earth science, Life science, Mathematical science and Physical science.

Arshiya Khan explained the achievements of CSIR. It include the India's first synthetic drug, Methaqualone, India's first tractor Swaraj, Bamboo flowering within a few weeks, 14 seater plane (SARAS), Sequencing of whole human genome (2009) and Bio-suite software development (Bioinformatics software). And she highlight that the founder of CSIR was a tamilian named Aroor Ramaswamy mudaliar and Current director was Girish Sahni.

Virothini gave the general information about the CSIR as it consists of 38 Labs, 39 field stations and CSIR conducts the joint CSIR UGC NET which is the national level entrance examination in the field of science including Life science, Physical science, Mathematical science, Earth atmospheric ocean and planetary science. The test conducted for determining the Lectureship and JRF post.

Akila explained CSIR exam pattern. The CSIR exam pattern include Part-A, Part-B, Part-C. Part-A include 20 questions in which we should answer 15 questions which carries 2marks each; Part-b consists of 50 questions in which we have to answer for 35 questions and each carries 2marks and Part-C consists of 75 questions in which we have to answer for 25 questions and each question carries 4 marks.

Council of Scientific and Industrial Research (CSIR) is a R&D approved research organization coordinated by UGC and responsible for the research co-ordination and maintaining the standards of Universities and colleges. The NET exam comprises NET-LS and NET-JRF, in which most of them

Brief report on the Guest Lecture conducted by the Department of Business Administration on 05 December 2018

National Institute of banking, Madurai came up with a program for the students on the various opportunities available for the students in the banking sector. The program was aimed at providing awareness and knowledge about the banking sector.

The inaugural address for the program was given by Mrs. Jessie Golda, Lecturer, Department of BBA. People from National Institute of Banking provided lot of valuable information on the banking sector. They also clearly explained the recent trends that have been prevailing in the banking sector. The program was very informative and useful for all the students present the program. The vote of thanks was proposed by Ms. Nandhini, III year BBA student.

Guidance for Competitive Examinations on 27.02.2019

DATE OF THE PROGRAMME : 27/2/2019

RESOURCE PERSON : Ms. RAJI VISWANATH

The programme was headed by Dr. Albert Christopher Dhas, Director of the MBA programme. The programme was commenced with a prayer by the students. Dr. A.C.Dhas welcomed the gathered. He introduced Ms. Raji from the IAS Coaching Center of the American College.

Ms. Raji emphasized the current employment opportunities from the Central Government , as well as the State Government sectors . She narrated the different domains in UPSC exams. She also explained the different stages in the IAS examinations. She emphasized the need for updating ourselves in terms of current affairs and General Studies.

The students asked their doubts in preparation of the competitive exams and their queries were answered.

The programme was co-ordinated by Mr. P.F.E. Diwakaran , Co-ordinator of BBA and Dr. Hilary Joseph, Co-ordinator of B.Com.

Ms. AnuReetha of I MBA delivered the vote of thanks.

LEARNING to TEACH; TEACHING to LEARN

It is often said that "a journey of a thousand miles begins with a single step" and so was it for the 16PGE students of The American College, Madurai. A single step of initiation to reach out to the students of the **ArulmiguSundarasar High School, Azhagarkovil** on 15 February 2018, paved the way for a symbiotic process of learning and teaching that amounts to mutual benefits. This is an initiative of the **Dr. J. Paul Jayakar and Mr. Daniel Rubaraj**. Though, it was thought to be single step initially, it turned out to be a giant leap as it was a package of blessing bestowed on both the students of Azhagarkovil and the American College. The following are course description and objectives:

Preamble:

This training provides the theoretical input and the practice-teaching required for prospective teachers of English in the present context. It enables the students to learn theoretical concepts which serve as a back drop for teaching English, get trained in the methodology of teaching English as a second language, and in the material preparation, and also gain opportunities to teach in classroom situations in the college.

Objectives:

The training aims at enabling the students to

- i. trace an overview of the field of second language teaching and learning,
- ii. identify the major trends and issues in ESL teaching
- iii. illustrate the major trends and issues and find ways to incorporate them into the students' own teaching practice
- iv. acquire the basic skills and knowledge to teach ESL students, and
- v. get trained in teaching in real classroom environment

Since 1881

THE AMERICAN COLLEGE, MADURAI

An Autonomous Institution Affiliated to Madurai Kamaraj University

Re-accredited (2nd Cycle) by NAAC with Grade "A" CGPA – 3.46 on a 4 point scale

Description about the Program:

The day commenced with a morning assembly filled with the day's inspirational thought shared by Ms. Jerusha and Ms. Sharon Shinolini, the introductory reflections fromby Dr. J. Paul Jayakar and a song by the 16PGE.

The class of 39 members handled classes on English grammar and literary pieces for students of standards VI, VII, VIII and IX. Students of AMC took their sincere efforts to reach out to students by involving them in games and activities. Classes were interactive and interesting with vibrant activities. As the saying goes, "A good teacher teaches from the heart and not from the book," the 16PGE budding teachers made a difference by touching the hearts and lives of these children. Those few hours proved sufficient to establish a bond with them.

Feedback:

This small step in making a difference was an enriching experience as it was a time of reaching, reflecting and reminiscing for the students of 16PGE. A step that was initiated as part of the curriculum proved to be a united effort that could be offered as an extended program in the final semester for postgraduate students. The fruit of learning could be tasted in such initiatives.

Future Perspectives:

Mr. Selvaraj, an alumnus of the American College, has been rendering his support, encouragement and motivation for the uplift and well-being of these students. He expressed his gratitude and felt that this was truly an enriching experience that is otherwise a distant dream for them. He wished that if time permitted, such sessions could be extended further for the greater benefit of these students. He ensured that we all had a comfortable stay at the campus.

LEARNING to TEACH; TEACHING to LEARN

Feedback from the Beneficiaries:

Class IX Students of ArulmiguSundarasar High School, Azhagarkovil

These learners from the whole bunch of inquisitive minds shared their feedback. M. Abinaya, of VI, second from right, felt this as a wonderful experience as she understood the lessons in a much better way. She says, the activities and the games made the learning lively and interactive. A heartfelt thanks to all the brothers and sisters of American College, for giving this wonderful experience which is otherwise a distant reality to us, says D. Gayathri of VIII, the third from right side. A. Karthika standing second from the left feels this as the greatest opportunity she has ever had in her life. She earnestly expresses her love for English and also says she never had the opportunity to learn this as she had received from the students of the American College. Hema Devi, of VIII, standing in the left corner, says that the love she had earned from these brothers and sisters is the greatest gift that she ever had in her life. This was truly an experience of great use as it paved way for learning new concepts and ideas and above all you were a blessing to us on this day, says M. Subhashini of IX, standing in the right corner. We, the students of the American College, register our sincere thanks to Dr. M. DavamaniChristober for permitting us to undergo this felt-experience.

Brief report on the Guest Lecture conducted by BBA

on 26 th July 2016

A guest lecture on the topic "Career opportunities" was organized by the BBA department. The program was conducted by S.M. Academy, Madurai. The program is aimed at highlighting the various opportunities available for students after the completion of their course.

The inaugural address for the program was given by Mr. Sathya Dev, Assistant professor, Department of BBA. The program was a very useful one for the students as many of the students did not have any clear idea about the career opportunities ahead of them. The vote of thanks for the gathering was given by Mr. Sivasundar, III BBA student.

Brief report on the Guest Lecture conducted by the Department of Business Administration on 08 February 2017

Banking sector offers lot of opportunity for budding managers. In order to provide knowledge about the banking sector a guest lecture was organized on the topic "Job opportunities in banking sector". National Institute of banking came up with the content and presentation for the program. All the third year students attended the program.

The inaugural address was given by Mrs. Nithya, Lecturer, Department of BBA. People from the banking institute shared their experience and knowledge on various aspects of the banking sector. The student attended the program with great interest and they also were very well informed and provided awareness about the banking sector opportunities and examinations. The vote of thanks was proposed by Mr. Joshua, III year BBA student.

GUEST LECTURE ON 'BARODA PIONEER MFIAP PROGRAM'

DATE: 16-10-2015

VENUE: ALUMNI HALL, THE AMERICAN COLLEGE, MADURAI

RESOURCE PERSON: MR.VARATHARAJAN

The programme started with a prayer by a student of 14CMC. The Chief guest and two of his colleagues were welcomed by our student. The programme was about the MFIAP programme which was in force in Baroda. The guest speaker talked about the mutual funds and why investment in mutual funds is less risky. The students got a clear idea about investments and riskless investment avenues in the country. This session was very useful to the students of the commerce stream and it is very much needed for the youth, as it will come in aid when they earn more money. The chief guest was thanked by one of our student.

அரங்கக் கலையும் ஆளுமை வளர்ச்சியும்

(Development through Theatre)

இப்பாடம் 'கலை வழி வளர்ச்சி' (Development through Arts) எனும் கருத்தியலின் அடிப்படையில் வடிவமைக்கப்பட்டதாகும். கிராமப்புறங்களிலிருந்தும் முதல் தலைமுறையாகவும் உயர்கல்வி கற்கும் மாணவர்களின் எண்ணிக்கை கணிசமாக உயர்ந்துள்ள நிலையில் மாணவர்களின் சமூகத் திறன்களை (Social Skills) மேம்படுத்த வேண்டிய தேவையோடு அவர்களின் உள்ளார்ந்த வளர்ச்சி (Inner growth), படைப்பாற்றல் (Creativity) ஆகியனவற்றைக் கூர்மைப்படுத்த வேண்டிய தேவை கல்வி நிறுவனங்களுக்கு உண்டு. அந்த அடிப்படையில் நாடகத்தில் நடிக்கனுக்குப் பரிந்துரைக்கப்படும் பயிற்சிகளை வழங்குவதன் மூலமாக அவர்களின் செயல்திறனை மேம்படுத்துவதாக இப்பாடம் வடிவமைக்கப்பட்டுள்ளது.

வகுப்பறை நிகழ்வுகளோடு மூன்று நாள் பயிலரங்கம் ஒன்றில் பங்கேற்பது இப்பாடத்தில் கட்டாயமாக்கப்பட்டுள்ளது. மூன்று இரவுகள் மூன்று பகல்கள் என நீளும் இப்பயிலரங்கில் சிறப்பு பயிற்றுநர்கள் அழைக்கப்பட்டு பயிற்சி அளித்து வருகின்றனர். இப்பயிலரங்கு மாணவர் தம்மை உள்முகமாக அறிந்துகொள்ளவும், தம் போதாமைகளை இனங்கண்டு, படைப்பாற்றலையும் ஆளுமையையும் வளர்த்துக்கொள்ள ஏதுவாக இருப்பதாக மாணவர்கள் எதிர்வினையாற்றியுள்ளனர். கடந்த 10 ஆண்டுகளாக இப்பயிலரங்கத்தின் பயிற்றுநர்களாகக் கலந்து கொண்டு பங்களித்தவர்கள்

திரு. மு.இராமசாமி, மேனாள் துறைத்தலைவர், நாடகத்துறை, தஞ்சை

GUEST LECTURE ON 'APTITUDE EXAM AND BANK EXAM TRAINING'

DATE: 05-08-2015

VENUE: HUMANITIES HALL, THE AMERICAN COLLEGE, MADURAI

**RESOURCE PERSON: MR.V.BHARATHIRAJA, BRANCH MANAGER, IIB,
MADURAI**

The Programme started with a Prayer to the almighty by a student. The guest speaker Mr. V. Bharathiraja was welcomed by one of our student. The chief guest provided an excellent guidance to the students about the competitive exams. He gave them the skills to attend aptitude and other questions in competitive exams. The students were interactive. They clarified their doubts with the speaker. The chief guest was thanked by one of our student.
