ASSOCIATION ACTIVITY – REVERBERATE 2020

VENUE: AUDITORIUM & PG PHYSICS (JAMES HALL)

DATE: MARCH 3RD 2020

Report:

Intercollegiate Meet (ICM) was organized by PG & research department of Physics as a part of Association activity. The programme was organized by both PG – Aided and SF streams. The programme was coordinated by PG – Aided and SF Association President Dr.P.Richard Rajkumar and Mrs. S.Vani Priyadharshini respectively.

Among all the Departments, we are the first to organize the Intercollegiate Association meet for PG Student separately. Reverberate 2019 was the first successful programme and Reverberate 2020 is our successful event. This is exclusively an academic event for PG level students.

Nearly about 7 colleges participated and approximately around 85 students participated in various competitions enthusiastically. 7 events such as Paper presentation, Crack pot (Quiz), Troubleshooting, Connections, Charlton (Treasure Hunt), Fist of Physics (Physics Games) & Campus Photography were planned and organized.

Various Committees for organizing the programme was framed with the faculty in-charge and students of PG.

The Programme started with an inauguration and inaugural address given by Dr.M.Davamani Christober, President & Secretary of the American College, Madurai. Also the event ends with the valedictory and valediction address is given by Dr.G.C.Abraham, Vice – Principal, The American College, Madurai.

With about 32 undergraduate courses and 16 Postgraduate programmes, the institution offers a professional broad based training in all major contemporary disciplines. There are 7 research centres providing scope for M.Phil. and Ph.D. research. The college campus college features special centres of professional engagement in various disciplines. Department of applied science (DAS) and study centre for Indian Literature in English and translation (SCILET) receives National and International attention. The college plays pride in its alumni occupying a position of pre-eminence in all walks of life in India and around the world. Scores of laureates internationally acclaimed scientists, Intellectuals, entrepreneurs, corporate leaders, writers, artists and statesmen have emerged from here. The college delivers in holistic education by providing a pro active engagement of students in theatre groups, National Service Scheme, NCC units and Service-Learning Programmes.

ABOUT THE DEPARTMENT

The department traces its roots back to 1904 from the days it used to support the auxiliary requirement of Biology / Zoology / Botany. It elevated itself to offer major courses in Botany from the year 1968. The Post graduate department had its inception in 1987 and became a self-sustaining research department in 1993. Thus, the legacy of educational Botany, the department cater for UGC sponsored vocational courses in Insecticide Toxicology in 1988. From 2016, the major stream was shifted Plant Biology and Biotechnology. The present curriculum in the PG and UG programs provides the state of art knowledge in fitting with the concepts of exploration and innovation. The department's plant science association is sponsored as PLASCIA.

IQAC REPORT (2017 - 2018)

DEPARTMENT OF FOOD SCIENCE & NUTRITION

COMPETITIONS

National Nutrition Week Celebration

Every year the National Nutrition Week is observed during the first week of September, "to raise awareness on the importance of nutrition for health," as noted on the National Health Portal official website. This year's theme, 'Better Child Health', focuses on the essential feeding practices that must optimally be carried out to ensure proper development and nourishment of the infants and young children.

Commemorating National Nutrition Week 2017, Under-graduate and Post-Graduate Department of Food Science and Nutrition, The American College organized Inter and Intra Collegiate competition for the students in the name of "FitFest 2K17". The Main aim of the event is to create awareness on the importance of Health and Nutrition among college students. Around 10 colleges participated enthusiastically. The inaugural session starts with the Presidential Address by the Principal & Secretary Dr.M.Davamani Christofer, The American College followed by the felicitation of Dr. J.Helen Ratna Monica, Director, Department of Food Science and Nutrition, The American College.

The Chief Guest Dr.A.Selvaraj Advisor, Madurai Kamaraj University-industry collaboration gave a motivational speech to the students in alleviating malnutrition. He also said that World Health Organisation (WHO) attributes close to 45% of child deaths to undernutrition. "Globally in 2017, 155 million children under 5 were estimated to be stunted (too short for age), 52 million were estimated to be wasted (too thin for height), and 41 million were overweight or obese," as per WHO statistics.

Objective

To make the students aware of the various types of icing done on sponge cakes.

Discussion and Training Activities

The basic recipe of a cake was discussed first. It contains only four essential ingredients flour, sugar, and butter in 1:1:1:1 ratio. The optional ingredients are baking powder, baking soda, custard powder, milk powder, molasses, nuts, cream, and spices. In eggless cake, condensed milk is added in place of egg. In normal sponge, the amount of butter is decreased and oil is added. The most basic tools of a pastry chef are cake stand, palate knife and bread knife.

The icings demonstrated were:

- ❖ American butter cream icing
- ❖ Italian butter cream icing
- ❖ Mirror glaze icing
- ❖ Chocolate truffle
- ❖ Fondant icing
- ❖ Royal icing

Industrial Visit

Open Day Visit to IIFPT

Indian institute of Food processing technologies (IIFPT) will launch new technologies and product on its 'open day event' on 16 september 2017, which is intended at sensitizing the public on food safety and hygiene. The event has been organized to commemorate the 115th Birth Anniversary of the institutes founder Director, V. Subrahmanyam.

According to the director of the institute C. Anandharamakrishnan as part of the event, IIFPT's technology pavilion was inaugurated by commissioner of agriculture marketing and Agri business, Shunchonngam Jatak chiru while the food tech expo will be inaugurated by the chief general manager, nabard, SNA Jinnah. He added that the institute was releasing its newly developed technology/gadgets which have significant field application in food processing sector.

On September, 16 2017 we the students of Food Science & Nutrition Department attended the Indian Institute of Food Technology (IIFPT) open day. It is the common event. All the public can take part in it and from our college around 30 students participated in this open day celebration of Indian Institute of Food Processing Technology IIFPT, Tanjore. First is the modern rice mill in this device which is fully automated and labour saving one. Second, the working mechanism of 'onion peeler' the skin of the onion is peeled off by the machine. When the onion is placed in the high-speed rotating bin, it rotates around vigorously and finally it gives skin peeled off onion. Next, is the onion curing cum storage machine. Here the onions are cultivated manually and stored at an optimum temperature. This is used to store onion over a period of 9 months with minimum change in colour and weight.

The students visited a pilot plant parboiling unit and learn the mechanisms of pilot plant parboiling unit. In the food processing business incubation centre, they were allowed to view the pre-and post-operative extruder lines with the capacity of 50ml. FPBIC 18 pasta making machine here the making of pasta and choccos were viewed.
