Resolution was moved by Dr. J. John Sekar and seconded by Dr. M. Rajendra Pandian

Resolution was passed unanimously

Dr. J. Daniel Chellappa suggested that the American College should explore the possibilities of having collaboration with IGCAR (Indira Gandhi Centre for Atomic Research).

The Principal said that all the suggestions were well taken and appropriate steps would be taken for incorporating all the suggestions in the curriculum which would be useful to students.

- R.38: As recommended by the Board of Studies in Commerce, RESOLVED to accept the changes in the programme of studies for B.Com (Computer Application) (Self-financed) as presented on pages from CMC 1 to CMC 2 and the syllabi for the programme as presented on pages from CMC 3 to CMC 35 with effect from the academic year 2015-2016.
