CUTTING EDGE TECHNOLOGIES  
VENUE : MAIN HALL  
DATE: 20.09.2018**

---

**Resource Person:**

**Dr. Ben Sujitha**

**Associate Professor**

**Kalasalingam Institute of Technology**

## **Report on Seminar**

### **Title:**

One day Seminar on "Cutting Edge technologies"

### **Date:**

20.09.2018

### **Preamble:**

A One day seminar on "Cutting Edge technologies" has been conducted on 20th September 2018, at The American College by the Department of Computer Science in order to empower the students in scientific knowledge that are emerging in the near future.

### **Participant's Profile:**

A total of 158 students from our Computer Science department participated and are benefited.

### **Description about the Program:**

The Seminar started with a word of Prayer by our student R.Ramavasantha(16COS50) and the Welcome address was given by S.Salamudeen(16COS45), student representative followed by an Introductory note by the Head of the Department of Computer Science, Mr. J. John Jeyakamaraj, who hosted this seminar on Cutting Edge technologies especially for the student friends to empower in scientific knowledge that are emerging in the near future and introduced the chief guest Mrs.BenSujitha, Associate Professor, Kalasalingam Institute of Technology. The Keynote address was delivered by Mrs.BenSujitha, Associate Professor, Kalasalingam Institute of Technology.

N.Vigneshwaren(16COS56), student representative proposed the vote of thanks.

The entire program was co-ordinated with the support of our Principal, Dr.M.DavamaniChristober who always encourages the technical growth of our student friends and faculty members of the department of Computer Science.

### **Feedback:**

The students expressed their gratitude to the Head of the department and to all the staff members of the department of Computer Science for organizing such a wonderful seminar session on a recent topic.

### **Future Perspectives:**

The department of Computer Science has also planned to conduct several seminars and workshops on current technology topics and soft skills in the future for the betterment of student's growth technically.
