Brief report on the Guest Lecture conducted by the Department of
Business Administration on 13 December 2017

There are a lot of entrepreneurship opportunities that are unknown to the students and they need awareness and valid information to start up a business. Dream Zone, Madurai came up with a n important presentation on "Entrepreneur - opportunities" for budding entrepreneurs.

The inaugural address for the program was given by Mrs. Tephillah Vasantham, Assistant professor, BBA department. The people from Dream Zone presented the various opportunities that are present in the country to startup businesses. The session was very informative and many of the students were quite surprised about the various opportunities that are available to start their business venture. The vote of thanks was given by Mr. Rajaguru Pandian, III year BBA student.
