The Public service commission jobs are very lucrative and also there is a lot of status involved in it. In order to make the students understand the basics of the UPSC exams and give them an insight, a session was organized on the topic "Awareness for the competitive exams". Kingmaker's IAS academy came up with the presentation on providing awareness and knowledge to students about the UPSC exams. The inaugural address for the program was given by Dr. Sathya. Dev, Assistant professor, Head of the BBA Department. The speaker provided lot of information on the various aspects of the competitive exams.
