Report on Workshop about PHP

Title:

One day Workshop on "Web development using PHP"

Date:

20.11.2019

Preamble:

A One day Workshop on "Web development using PHP" has been conducted on 20th November 2019, at The American College by the Department of Computer Science in order to provide an intense training on PHP

Participant's Profile:

A total of 100 students from our Computer Science department participated and are benefited.

Description about the Program:

The Workshop started with a word of Prayer by our student M. Joel Kevin (17COS30) and the Welcome address was given by S.Shahila Parveen (17COS121), student representative followed by an Introductory note by the Head of the Department of Computer Science, Mr.J.John Jeyakumaraj, who hosted this Workshop on Web development using PHP and introduced the Speaker Ms. J.Mary Monica, Assistant Professor, Department of Computer Science in the American College. The speaker delivered keynote address. The participants were provided hands - on practice on PHP and MySql.

E.Yogavignesh (17COS139), student representative proposed the vote of thanks.

The entire program was co-ordinated with the support of our Principal, Dr.M.DavamaniChristober who always encourages the technical growth of our student friends and faculty members of the department of Computer Science.

Feedback:

The students expressed their gratitude to the Head of the department and to all the staff members of the department of Computer Science for organizing such a wonderful workshop session on Web development.

Future Perspectives:

The department of Computer Science has also planned to conduct several seminars and workshops on current technology topics and soft skills in the future for the betterment of student's growth technically.
