Sub: Requesting to permit us to organise workshop in your Department

Respected Sir,

As a part of empowering biological science students, our research foundation is organizing a series of proteomics workshops through our research institute "Winro Research Institute of Biological Science" at Tiruchirappalli. We have received several applications from the students of your Department for the three day hands-on workshop entitled "Protein Separation: Gel based", scheduled on 9th May, 2018 to 11th May, 2018. In this regard, I would request you to permit us to conduct the above said workshop in your renowned Department at 'The American College', Madurai. Also request you to provide necessary facilities to conduct the workshop.

I will be thankful to the Department and College management, if permitted to conduct the workshop on campus for the benefit of students. The course content is attached with this letter for your reference.

Thanking you,

Dr. R. Muthu Selvam
