National level workshop on Python programming - 22-01-2016 & 23-01-2016

Department of BCA organised a two days "National level workshop on Python programming" on 22-01-2016 & 23-01-2016. This workshop gave hands on experience for the students. Students from various college participated in the workshop and the resource person was Mr. Jeeva Chelladurai, Senior Technical Manager, IBM Global Cloud Centre of Excellence, Bangalore. Students gained knowledge about this high level programming language which is used to create web applications.

Mr. Jeeva explained the basic python concepts along with GUI and Flask concepts which are used to develop small application using python with front end and back end concepts. This development was very useful for students for their final projects and most of them used python in their project.
